Dentures Provided By a Clinical Dental Technician

Simon has over 35 years of experience in the dental industry, working both in the dental laboratory, crafting high-quality dentures, and in the clinic, delivering excellent service to his patients.

*"I truly love what I do. It's a highly creative role, and I have the chance to meet fascinating people. Best of all, I get to help people smile again, which is incredibly rewarding."*

**Simon Miles CDT DIP RCS(Eng)**
